February Happenings:

For our Valentine's Day celebration we ask that you send in a valentine for each child in your son or daughter's class. Do not put the individual names on the envelopes. Just leave them blank. Help your child sign their own name on the card. The children will then place a Valentine into special bags that each child has decorated for Valentine's Day. You will receive an updated class list so you will know the appropriate number of Valentines to send with your child. Please feel free to use the class list for birthday party invi-

tations or for after school get-togethers. The children are developing important friendships that can last a lifetime.

Songs, stories, art projects, and a special snack are planned for February 13th and 14th. Keep this a secret, but an Ice Cream Sundae Party is planned. Shh!

Lunch day for the threes is Thursday, February 23rd.

The menu includes: Pasta with or without sauce, carrots, applesauce and milk.

Monday, February 20th is Presidents' Day. This is a day off from school. Do something special with your family over the long weekend.

Picture Day is scheduled in March. More information will be available closer to the dates scheduled. The children may dress in their Sunday best. Bright colors are recommended. A class photo will be taken of each individual classroom.

Local Dentist Visits Preschool

Dr. Robert Kacmarcik, a local dentist and father of Andrew, Claudia, and Ethan who are former NBH students, will visit on Monday, and Tuesday, January 30th and January 31st.

Dr. Kacmarcik will discuss good dental hygiene with

the children. A video will be shown illustrating good brushing and flossing techniques.

Dr. Kaz always comes with goodies for the children. Each child will receive a treat bag that contains a new toothbrush, tooth-

paste, and other information to help parents and children appreciate the importance of good oral hygiene.

We thank Dr. Kaz for visiting our school and for teaching us that taking care of our teeth is important.

February, 2012

Special points of interest:

- Ⓢ Child Find Screening for Kindergarten will be in April. Permission slips will be sent home.
- Ⓢ School Pictures are scheduled for March. More info will follow.
- Ⓢ Parents please return all registration forms for September 2012 by February 1.
- Ⓢ Remember to check the web site for updates.
- Ⓢ March 15 is an in-service day for staff and no school for children.

Community Helper Fun Day!

Friday, February 17th is community helper day. The staff has organized a morning of fun activities for our community helpers theme. The children will enjoy having their hair and nails done by a beautician, building with real tools, working in a pet shop, and a market. We need parent helpers for this special day. Please see the parent board for sign ups. We can't do activities like this without your help. Thank you in advance for participating.
